Family Planning Measurement Reimagined

About the event

Sharing recent evidence and frameworks that can guide the development of new family planning measures that align with the core principles of ICPD. It is a networking opportunity for experts researching, leading advocacy and implementing family planning programmes across the world, especially in LMICs.

Will be held on:

Thursday, 23rd May 2024

2:00 to 3:30 pm CAT

BICC, Lilongwe, Malawi

Contact:
